## **Contents**

These pages give an overview of the contents of your owner's manual. The first page of each section lists the topics covered in that section.

#### Introduction

# Motorcycle Safety ...... 1

Important safety information, a special message for parents, precautions about loading, accessories, and modifications, and the location of safety labels.

# Operating Controls......13

The location, function, and operation of the throttle, brakes, and other basic controls.

### Before Riding ...... 23

The importance of wearing a helmet and other protective gear, plus how to make sure you and your motorcycle are ready to ride.

### 

#### Servicing Your Honda ......41

Why your motorcycle needs regular maintenance, what you need to know before servicing your Honda, a maintenance schedule, and instructions for specific maintenance items.
