

Valve Clearance	87	Wheels	126	<u>Electrical</u>	
Cylinder Head Cover Removal	87	Wheel Rims & Spokes	126	Battery	138
Positioning At TDC On The Compression		Axles & Wheel Bearings	126	Battery Storage	138
Stroke	88	Tires & Tubes	127	Battery Charging	139
Valve Clearance Inspection.....	89	Air Pressure.....	127	Headlight Aim	140
Camshaft Removal	89	Inspection.....	127	Headlight Aim Vertical Adjustment.....	140
Shim Selection.....	91	Tube Replacement	127	Appearance Care	141
Camshaft Installation.....	92	Tire Replacement.....	128	General Recommendations.....	141
Crankshaft Hole Cap Installation	94	Side Stand	129	Washing Your Motorcycle with a Mild	
Cylinder Head Cover Installation.....	95	Drive Chain	130	Detergent	141
Piston/Piston Rings/Piston Pin	96	Inspection.....	130	After Cleaning Lubrication	142
Cylinder Head Removal	96	Drive Chain Sliders.....	130	Panels.....	142
Cylinder Removal	98	Drive Chain Rollers	131	Aluminum Frame Maintenance.....	142
Piston Removal	98	Adjustment.....	131	Titanium Fuel Tank Maintenance	142
Piston Ring Removal.....	98	Lubrication.....	131	Exhaust Pipe and Muffler Maintenance ...	142
Piston/Piston Pin/Piston Ring Inspection ...	99	Removal, Cleaning & Replacement.....	132	ADJUSTMENTS	143
Piston Ring Installation	99	Exhaust Pipe/Muffler	133	Front Suspension Adjustments	144
Piston Installation	100	Exhaust Pipe/Muffler Inspection	133	Front Suspension Air Pressure	144
Cylinder Installation.....	101	Muffler Removal.....	133	Front Suspension Damping	145
Cylinder Head Installation	102	Muffler Installation.....	133	Rear Suspension Adjustments	146
<u>Chassis</u>		Exhaust Pipe Removal	134	Rear Suspension Spring Pre-Load	
Suspension	105	Exhaust Pipe Installation	134	(Off-Road Use Only).....	146
Front Suspension Inspection	105	Spark Arrester	135	Rear Suspension Damping	147
Front Suspension Removal.....	106	Spark Arrester Inspection	135	Rear Suspension Race Sag	
Recommended Fork Oil	108	Additional Maintenance Procedures	136	(Off-Road Use Only).....	148
Fork Outer Tube Disassembly.....	108	Steering Head Bearing Inspection	136	Suspension Adjustment Guidelines	
Fork Oil Refilling	109	Handlebar Inspection	136	(Off-Road Use Only)	150
Front Suspension Installation.....	110	Control Cables	136	Tuning Tips	153
Fork Damper Disassembly	113	Nuts, Bolts, Fasteners	137	Spark Plug Reading (Off-Road Use Only)....	153
Damper Oil Change.....	115			Chassis Adjustments	154
Fork Damper Installation	118			Rear End (Off-Road Use Only).....	154
Rear Suspension Inspection	121			Fork Height/Angle (Off-Road Use Only)	154
Brakes	122			Wheelbase (Off-Road Use Only)	154
Front Brake Lever Adjustment.....	122			Tire Selection for Track Conditions	
Rear Brake Pedal Height	122			(Off-Road Use Only)	155
Fluid Level Inspection.....	123			Personal Fit Adjustments	156
Brake Pad Wear.....	125			Control Positioning (Off-Road Use Only) ...	156
Other Inspections.....	125			Handlebar Position (Off-Road Use Only).....	156
Brake Light Adjustment.....	125
